Experience MohrLumens.com Online Store

I created, marketed, and actively maintain a profitable online store as a personal project. This demonstrates my business sense and ability to execute successful web designs.
2020-Present

PixelPoison YouTube.com/c/pixelpoison

When I have free time, I use my video editing and cinematography skills to make YouTube videos.
2014-Present

Photography Personal Art Practice

I have always loved photography and I often take pictures, practice photo-manipulation with various software, and image cataloging with Adobe Lightroom.
2014-Present

green|spaces Freelance Graphic Design

I designed a series of modular storefront posters for a Chattanooga, TN nonprofit to enhance visibility and capture foot traffic in front of their building.
2019
